 The problem is all inside your head she said to me,                      the answer is easy if you take it logically  
 Em                      D<sup>6</sup>                      C<sup>7Maj7</sup>                      B<sup>7b9</sup>                      Em                      Am<sup>7</sup>                      Em  
 I'd like to help you in your struggle to be free; there must be 50 ways to leave your lover

She said it's really not my habit to intrude,  
 Further more I hope my meaning won't be lost or misconstrued  
 But I'll repeat myself at the risk of being rude  
 There must be 50 ways to leave your lover  
 50 ways to leave your lover

**Chorus**  
**2**  
**Times**

G7                      Bb  
 You slip out the back, Jack. Make a new plan, Stan.  
 C                      G7  
 Don't need to be coy, Roy. Just get yourself free.  
 G7                      Bb  
 Well hop on the bus, Gus. Don't need to discuss much.  
 C                      G7  
 Just drop off the key, Lee and get yourself free.

She said it grieves me so to see you in such pain,  
 I wish there was something I could do to make you smile again  
 I said I appreciate that and would you please explain about the 50 ways

She said why don't we both just sleep on it tonight?  
 And I believe in the morning you'll begin to see the light  
 And then she kissed me and I realized she probably was right  
 There must be 50 ways to leave your lover  
 50 ways to leave your lover

(Chorus 2 Times)
