

Cold, Cold Heart

D I tried so hard my dear to show that you're my every dream **A**
But you're afraid each thing I do is just some evil scheme **A7 D**
A memory from your lonesome past keeps us so far apart **D7 G**
A Why can't I free your doubtful mind and melt your cold, cold heart **A7 D**

Another love before my time made your heart sad and blue
And so my heart is paying now for things I didn't do
In anger unkind words are said that make the teardrops start
Why can't I free your doubtful mind and melt your cold, cold heart

Solo

You'll never know how much it hurts to see you sit and cry
You know you need and want my love, but you're afraid to try
Why do you run and hide from life, to try it just ain't smart
Why can't I free your doubtful mind and melt your cold, cold heart

There was a time that I believed that you belonged to me
But now I know your heart is shackled to a memory
The more I learn to care for you the more we drift apart
Why can't I free your doubtful mind and melt your cold, cold heart

A Why can't I free your doubtful mind and melt your cold, cold heart **A7 D**
