I Will Survive

Am **Dm**
1. First I was afraid I was petrified,
G **C**
kept thinkin' I could never live without you by my side.
F **Dm**
But then I spent so many nights thinkin' how you did me wrong,
E **E7**
and I grew strong and I learned how to get along.

2. And so you're back from outer space,
I just walked in to find you here with that sad look upon your face.
I should have changed that stupid lock,
I should have made you leave your key,
if I had known for just one second you'd back to bother me!

3. Go on now, go ! Walk out the door !
Just turn around now, 'cause you're not welcome anymore !
Weren't you the one who tried to hurt me with goodbyes ?
Did you think I crumble, did you think I'd lay down and die?

4. Oh no, not I, I will survive,
for as long as I know how to love, I know I'll stay alive.
I've got all my life to live, I've got all my love to give,
and I'll survive, I will survive ! (Not when repeated= Hey hey!)
+ Instrumental = verse 4

5. It took all the strength I had not to fall apart ,
kept trying' hard to mend the pieces of my broken heart.
And I spent oh so many nights just feeling sorry for myself.
I used to cry but now I hold my head up high.

6. And you see me, somebody new,
I'm not that chained up little person still in love with you.
now I'm savin' all my lovin' for someone who's lovin' me.

+ repeat verse 3 + repeat verse 4 + repeat verse 3…..
